Stop: Drugging our Children!

IEWS - Dr. Sabina DeVita Ed.D., D.N.M., R.N.C.P. (GOLD)

Brampton, Ontario CANADA

It's a little known fact that antidepressant drugs have never been tested on children nor approved by the FDA for use on children.

This evening workshop will explore the many causes of this condition amongst our children and what can be done.

A portion of the psychiatry film, "An industry of Death" will be viewed depicting the drugging of our children and population. When the psychiatric authorities say "treatment," what they mean is "more drugging."

Essential oils (as addressed by Dr. Ann Blake Tracey- expert on SSRI drugs) will also be addressed in adding to natural solutions for a comprehensive treatment program.
